

One Way to Show  
**THANKS is GIVING**

**Make a gift - Give your time - Listen  
Give back what you can**

If you were to lose your medical insurance, where would you turn if you were ill or a family member was dealing with the problems of a chronic disease, such as diabetes, asthma, or high blood pressure? If you are like many in our community, you would turn to **Olde Towne Medical Center** where you would receive quality, affordable medical and dental care – and be treated with respect by dedicated and compassionate health professionals.

The need for the services we provide continues to grow. In the past fiscal year alone:

- Our patient population increased by 14% and patient visits went up by nearly 9%. Many of these new patients recently lost their jobs or health insurance.
- Our **Medication Access Program**, that connects uninsured and underinsured patients with pharmaceutical company programs for free prescription medications, showed a 42% increase in medications, from a retail value of \$2.4 million to \$3.4 million.
- The 2011 “**Give Kids a Smile**” Clinic provided dental care to 20% more uninsured and Medicaid eligible children than in 2010.
- The number of diabetic patients in our very successful chronic disease program is expected to increase by 46% this year.

Local contributions have helped **Olde Towne Medical Center** provide outstanding primary healthcare. Thanks to these donations, our caregivers have touched the lives of thousands – whether they faced an acute illness, a chronic disease, or sought preventive care. Today, OTMC counts on your support more than ever. Your gift is extremely important as it provides resources that make an immediate impact – resources that allow Olde Towne to continue to serve our community through these difficult days.

Your gift of \$500, \$100, \$50 or \$25 will enable our doctors, dentists, nurses, and other staff to continue to serve our community. Please consider making as generous a gift as you possibly can. Your donation makes a world of difference – Thank you.

To make a donation:

Please go to our donation page \*\*\* or \*\*\* send a check to Thanks-is-Giving, Olde Towne Medical Center, 5249 Olde Towne Road, Suite D, Williamsburg, VA 23188 \*\*\* or call 259-3250
