

On Saturday, February 27th, 88 uninsured and Medicaid eligible children, living in the Greater Williamsburg Area, benefited from “**Give Kids a Smile**” hosted by the Olde Towne Medical Center dental clinic and conducted by many area volunteer dental professionals. At this free clinic, there were a total of 391 procedures, valued at \$31,165.00. In addition to all children receiving oral screenings and oral hygiene education, there were root canals, tooth extractions, restorations with fillings, dental sealants, fluoride treatments, x-rays, cleanings and three children were referred for care

The following gave unselfishly of their time and talents to meet the oral health needs of children living in our community.
